

## DESIGNING HEALTHY LIVABLE COMMUNITIES

**Discounts for  
community teams  
of four or more  
will be offered.**

**NOVEMBER 8, 2004**

**Kellogg Center  
East Lansing, MI**

***Featuring Keynoter Dan Burden  
Executive Director of Walkable Communities, Inc.***

### **THIS CONFERENCE IS DESIGNED TO PROVIDE:**

- ▶ A clear and comprehensive vision of what a community that promotes healthy nutrition and physical activity looks like, based on best practices.
- ▶ Specific ideas for improving public health through land use, community design and transportation choices.
- ▶ Proven tools and resources.
- ▶ New relationships with counterparts in other communities who are also working toward creating healthier places to live.
- ▶ The beginning of an action plan for communities.
- ▶ A place to network.

### **WHO SHOULD ATTEND?**

- ▶ Elected officials
- ▶ Government officials
- ▶ Planners, planning commission members, zoning administrators
- ▶ Transportation professionals
- ▶ Law enforcement (crime and traffic)
- ▶ School board or PTSA representatives
- ▶ Community health representative (local public health, local hospital)
- ▶ Chambers of commerce
- ▶ Economic development specialists
- ▶ Health professionals (physicians, nurses, nutritionists)
- ▶ Trail supporters
- ▶ Faith-based organizations
- ▶ Parks and recreation
- ▶ Civic and service organizations (i.e. Rotary, Lions Club)
- ▶ Community foundations
- ▶ Neighborhood associations
- ▶ Extension
